2027 New Membership Application Information

New applicants must include the \$150.00 first year dues and initiation fee with this application.

Annual dues are currently \$100.00, due by December 31st of each year. Payment can be made in cash, check, or money order. The club does not accept credit cards or online payments.

New applications are usually voted on at the February Board of Directors meeting, and those accepted will be notified and provided orientation dates.

Membership in the **Sand Springs Sportsman Club** includes those members of your immediate family residing in your household. This means that they are not considered "guests" when they accompany the member whose name is on the range card. Each membership is limited to two guests per visit. *If spouses wish to be able to use the facility independently then both names should be on the application and both must complete the new member orientation.* A range card will then be issued in both names. Members only have to attend orientation once as long as their membership is renewed each year, unless there are substantial changes in range rules that require all members to go through an orientation again.

The member is responsible for familiarizing guests with the club's Range Rules and must accompany guests on whichever range they are using. *Members and guests may not use different ranges at the same time.* This is to ensure safety for both guests and other members, since only the member has gone through orientation.

All guests must complete a Insurance Waiver form once per year. Waiver forms are located in metal boxes outside the clubhouse under the covered porch and at the Rifle/Pistol range.

Members are responsible for ensuring that fees for clay targets shot are paid, whether shot by member or guest.

The most recent [Range Rules](#) and [Constitution and Bylaws](#) can be viewed online at the club website. New members will also be given paper copies of these documents at orientation.

The club website is <https://www.sssportsmanclub.com>.

No alcohol is permitted on the club premises at any time. No commercial activity, such as giving classes for a fee or other consideration are allowed since the **Sand Springs Sportsman Club** is a not-for-profit organization.
